'The Future of Biking'

Riding Times:
Saturday Mornings 10.00- 12.30
Group bookings by arrangement

Registered charity no. 1057537

About The Project...

About Us

Gauntlet is a volunteer run registered charity, established in 1995. Our aim is to reduce illegal motorcycle riding and anti-social behaviour whilst encouraging good citizenship and youth volunteering by providing the county's young people with an affordable off road facility where they can learn to ride safely, develop life skills, make new friends and build their self esteem.

Gauntlet is open to all young people between the ages of 11 and 16 years (up to 25 years for those with disabilities). We aim to work especially with disadvantaged, disaffected and disabled young people and to promote the family.

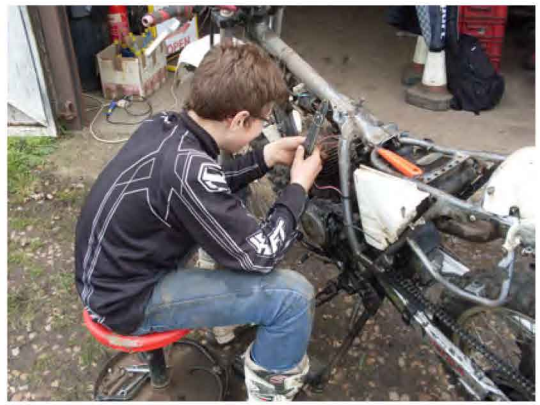

Activities

The Project is open for riding on Saturday mornings between 10.00-12.30. We offer training from mopeds and quads to motocross bikes that is suited for all abilities (with specially adapted vehicles for those with disabilities).

Gauntlet provides everything needed to ride safely including the bikes, quads and riding apparel (helmets, boots, etc).
Group bookings are also offered during the week and on Saturday afternoons, please contact the Project for more details.
